Request for an Estimate for the Production of a Book

Please print out this form, fill it in and return it to us. Completing this form does not put you under any obligation to go ahead with the project. It just allows us to consider your requirements and to give you an idea of the costs involved.

Please send us a table of contents, synopsis and sample chapter together with the form; we will then contact you with an approximate estimate. If we need further details, we will contact you accordingly.
